

# Scribbles

Bringing colour to your lives

Volume No. 13

January - February 2022

Issue No. 1

## From the Editor's desk...

*Dear colleagues,*

A year has passed by... Usually we say it's time to look back, learn from mistakes, re-define goals and move forward. The year 2021 has been a mixed bag for many. More negative than positive - the pandemic, lost loved ones, worry over health of self and others, worry over education of children and so on. But, I'm sure there were silver linings too. Let's not forget them, as they helped us get past the difficult and challenging times.

We start the New Year with a visual treat of positivity - this issue of Scribbles is replete with pictures of people who have won Long Service and Performance Awards.

Staying Ahead, a series of stories and thoughts that we launched from April 2021 has been a success, since it seems to have touched the lives of many. Inspiring stories however short can carry big messages. I wanted to leave you with such short stories which will help us ponder on how we can Stay Ahead in the coming year. Here they go...

Most of them are in first person, and I have left it as such for providing the required effect and impact.

### **1. Fall and rise**

Today, when I slipped on the wet tile floor a boy in a wheelchair caught me before I slammed my head on the ground. He said, "Believe it or not, that's almost exactly how I injured my back 3 years ago."

### **2. A father's advice**

Today, my father told me, "Just go for it and give it a try! You don't have to be a professional to build a successful product. Amateurs started Google and Apple. Professionals built the Titanic ship."

### **3. The power of uniqueness**

Today, I asked my mentor – a very successful business man in his 70's – what his top 3 tips are for success. He smiled and said, "Read something that no one is reading, thinking or doing."

*Long Service Awards  
and  
Performance Awards*

#### **4. Looking back**

Today, I interviewed my grandmother for a research paper I'm working on for my Psychology class. When I asked her to define success in her own words, she said, "Success is when you look back at your life and the memories make you smile."

#### **5. Try and you shall know**

I am blind by birth. When I was 8 years old, I wanted to play baseball. I asked my father- "Dad, can I play baseball?" He said "You'll never know until you try." When I was a teenager, I asked him, - "Dad Can I become a surgeon?". He replied "Son, you'll never know until you try." Today I am a surgeon, just because I tried!

#### **6. Goodness & gratitude**

Today, after a 72 hour shift at the fire station, a woman ran up to me at the grocery store and gave me a hug. When I tensed up, she realised I didn't recognise her. She let go with tears of joy in her eyes and the most sincere smile and said, "On 9-11-2001, you carried me out of the World Trade Center."

#### **7. Love conquers pain**

Today, after I watched my dog get run over by a car, I sat on the side of the road holding him and crying. And just before he died, he licked the tears off my face.

#### **8. A door closes to open another**

Today at 7 am, I woke up feeling ill, but decided I needed the money, so I went into work. At 3 pm I got laid off. On my drive home I had a flat tire. When I went into the trunk for the spare, it was flat too. A man in a BMW pulled over, gave me a ride, we chatted, and then he offered me a job. I start tomorrow.

#### **9. Innocence**

Today, in the cutest voice, my 8-year-old daughter asked me to start recycling. I chuckled and asked, "Why?" She replied, "So you can help me save the planet." I chuckled again and asked, "And why do you want to save the planet?" "Because that's where I keep all my stuff," she said.

#### **10. Joy**

Today, when I witnessed a 27-year-old breast cancer patient laughing hysterically at her 2-year-old daughter's antics, I suddenly realised that I need to stop complaining about my life and start celebrating it again.

#### **11. Kindness**

Today, a boy in a wheelchair saw me desperately struggling on crutches with my broken leg and offered to carry my backpack and books for me. He helped me all the way across campus to my class and as he was leaving he said, "I hope you feel better soon."

#### **12. Sharing**

Today, I was travelling in Kenya and I met a refugee from Zimbabwe. He said he hadn't eaten anything in over 3 days and looked extremely skinny and unhealthy. Then my friend offered him the rest of the sandwich he was eating. The first thing the man said was, "We can share it."

I wish you and your families all the very best for 2022 to Stay Positive, Stay Healthy, Stay Safe.

Best wishes,

*Aarada Jagan*

## 2022 - Mantras for success

If you set your goals ridiculously high and it's a failure, you will fail above everyone else's success.

– James Cameron

Success is most often achieved by those who don't know that failure is inevitable.

– Coco Chanel

The size of your success is measured by the strength of your desire, the size of your dream and how you handle disappointment along the way.

– Robert Kiyosaki

Success is liking yourself, liking what you do and liking how you do it.

– Maya Angelou

Success only comes to those who dare to attempt.

– Mallika Tripathi

Even if you're on the right track, you'll get run over if you just sit there.

– Will Rogers

Success is the sum of small efforts repeated day in and day out.

– Collier

You can decide where your time goes. You can either spend it moving forward or you can spend it putting out fires.

– Tony Morgan

The only way to do great work is to love what you do.

– Steve Jobs

The more I want to get something done, the less I call it work.

– Richard Bach

Obsessed is just a word the lazy use to describe the dedicated.

– Russell Warren

Go as far as you can see and you will see further.

- Zig Ziglar
