

JOLLY ROVERS GOLDEN JUBILEE VALEDICTORY FUNCTION

Jolly Rovers Cricket Club will celebrate 50 years of its association with the Sanmar Group on July 28 and a valedictory function to mark the milestone is to be held on July 29.

A book, authored by V. Ramnarayan to commemorate the milestone, will be released at the function. Cricket legend Kapil Dev will release the book and the first copy will be received by eminent author and historian, Ramachandra Guha, who will also deliver the keynote address 'Five Forms of Cricketing Partisanship'.

There was a gathering of the club's cricketers last year on July 29 to mark the association entering its 50th year and the celebration entered the next phase when former England captain David Gower delivered the K.S. Narayanan Oration on January 30 this year.
