

Sanmar welcomes Egyptian Minister

The Egyptian Minister for Electricity and Energy, Dr Hassan Younis, was in Chennai on 18 November 2009.

The Minister visited the Sanmar Engineering Corporation's facilities

at Karapakkam. CII and The Sanmar Group hosted a dinner in honour of the Minister at Hotel Taj Coromandel.

Sanmar is one of the early entrants

among Indian companies in Egypt with TCI Sanmar Chemicals LLC, its PVC and chlor-alkali business in Port Said.

Earlier, Dr Younis had met Union Minister for New and Renewable Energy Farooq Abdullah and Minister of State for Power Bharatsinh Solanki in New Delhi before his visit to Chennai. During this meeting, Dr Younis had expressed his intent for India and Egypt to shortly sign a memorandum of understanding to encourage cooperation in renewable energy. Given its strategic topography and conducive business climate, the Minister felt that Egypt had enormous potential for tapping wind and solar energy. Egypt's Ambassador Mohammed Higazi accompanied the Minister. Dr Younis, a Ph.D. in electrical power engineering, visited a couple of wind energy facilities in and around Chennai.
